DIRECTOR'S OFFICE**

**SMALL BUSINESS IMPACT STATEMENT**

**DATE:** November 8, 2013  
**TO:** All Interested Parties  
**FROM:** Nevada Department of Business and Industries, Director's Office

**RE:** Proposed Regulation of the Department of Business and Industry LCB File No. R103-13 for New Market Job Act NRS 231A.

The Nevada Department of Business and Industry, Director's Office, 555 E Washington Avenue, Suite 4900, Las Vegas, NV 89101 (702) 486-2750, has determined that the adoption of this regulation does not impose a significant economic burden on small business, nor will it restrict the formation, operation or expansion of small business.

These regulations merely delineate the application and reporting requirements of NRS 231A. It does not impose a new fee or increases any existing fees.

I certify that to the best of my knowledge or belief, a concerted effort was made to determine the impact of the proposed regulation on small business and that the information contained in the statement is accurate (AB408 Section 2.2)
