Small Business Spotlight

The Business Advocate is a publication about you, our state's small businesses and entrepreneurs. We would like to highlight a small Nevada-based business, like yours, that is vital to our state's ongoing employment and economic growth.

What is the name of your business:

Business address:

Do you have a business license in good standing with the Secretary of State?

How long have you been in business? _____

Do you have employees? If so how many? _____

Do you meet any of the criteria listed below? If so, tell us a little about your business. Attach a separate sheet explaining how your business meets one or more of the criteria below.

Please check all that apply to your business:

- Do you have a unique story to tell?
- Do you have invaluable experience with specific aspects of business ownership or management that would be beneficial to other small business owners?
- Did you serve an unmet need in the marketplace?
- Did you revolutionize a process?
- Did you overcome challenges to launch a new venture or adapt your business to survive and/or grow during the recession?
- Did your business grow out of a hobby or personal interest?
- Do you have a unique story as to how you obtained capital to launch your business?

The selected business will be notified by a member of our newsletter staff who will work with you to develop the content for the feature.

Your business must currently be licensed and in good standing with the State. Please submit your completed Small Business Spotlight form either through the mail or via email to:
