

CHALLENGE

smallbusinessNevada

**Do you own a small business in Nevada?
Are you thinking of starting one in the state?**

Then take the  CHALLENGE!

**Discover the many local, state and federal resources
available to help you out.**

The challenge is simple. If you run a small business or are thinking about starting one, we urge you to learn more about Nevada's local, state and federal small business support programs and agencies. Use the options below to see what kind of help is out there, then contact an agency or program to see how they can help you achieve your full business potential. **Take the challenge today!**

THREE WAYS TO TAKE THE CHALLENGE

- 1. Go online to www.business.nv.gov.** Click on the Business Resource Center. Explore the Learning Center, Resource Directory, Access to Capital Directory, Nevada Business Startup Guide, and other tools. Download the Guide and use its interactive Road Map. Identify an entity that offers services in your area of interest. Contact them online, by phone, or in person to see what they can do for you.
- 2. Go online to www.sba.gov/nv.** Explore the Business Guide, Funding Programs, Federal Contracting, and Learning Center links. Use the Local Assistance link to find a local SBA partner who can help you with information, counseling, mentoring and training.
- 3. Contact us directly.** Write or email to us at one of the addresses below. Provide your contact information and tell us briefly what you need help with. We'll do our best to connect you with information or a resource partner that can assist you.
