To Whom It May Concern,

At the direction of the Chief Administrative Officer of the Nevada Occupational Safety and Health Administration (OSHA), because of Governor Sisolak's closure of nonessential businesses in Nevada, the following measures will be taken for businesses that are making scheduled payments for debt owed to Nevada OSHA.

As of Monday, March 16, 2020 all scheduled payments are postponed for a period of 60 days at the current time. This postponement of scheduled payments will be re-evaluated during the week starting May 18<sup>th</sup>.
